

\$1,000 SCHOLARSHIP: POWERING THE NEXT GENERATION

Merrillan Electric & Water Utility is more than just infrastructure. While our crew works to manage our electric grid, we are also committed to investing in our local students.

In partnership with Dairyland Power, we are now accepting applications for the **2026 Scholarship Program**.

THE BASICS:

 **Who:** Lincoln High Seniors served by Merrillan Electric (Village or Rural).

 **Academic:** Minimum 3.0 GPA.

 **Deadline:** April 6, 2026.

WHAT WE ARE LOOKING FOR:

 **Future Energy Leaders:** Heavy preference is given to students pursuing careers in the **energy industry** (e.g., Lineman school, Electrical Engineering, Power Distribution).

 **Concern for Community:** Applicants should show a strong record of **local volunteerism** and involvement within the Village of Merrillan area.

HOW TO APPLY:

Pick up an application at the [Village Hall \(101 S Main St\)](#)

or download it at merrillanwi.gov/electric.
